

the face of the form or in its instructions. The data may, however, be disclosed in aggregate form in such a manner that individual company data is not disclosed or derivable.

(2) Any comments submitted by a member of the public on applications and regulatory proposals being considered by the Board, unless the Board or the Secretary determines that confidential treatment is warranted.

(3) A determination by the Board to comment upon information submitted to the Board in any opinion or statement issued to the public as described in § 261.14(c).

(e) *Special procedures.* The Board may establish special procedures for particular documents, filings, or types of information by express provisions in this part or by instructions on particular forms that are approved by the Board. These special procedures shall take precedence over this section.

**§ 261.16 Request for access to confidential commercial or financial information.**

(a) *Request for confidential information.* A request by a submitter for confidential treatment of any information shall be considered in connection with a request for access to that information. At their discretion, appropriate Board or staff members (including Federal Reserve Bank staff) may act on the request for confidentiality prior to any request for access to the documents.

(b) *Notice to the submitter.* When a request for access is received pursuant to the Freedom of Information Act (5 U.S.C. 552):

(1) The Secretary shall notify a submitter of the request, if:

(i) The submitter requested confidential treatment of the information pursuant to 5 U.S.C. 552(b)(4); and

(ii) The request by the submitter for confidential treatment was made within 10 years preceding the date of the request for access.

(2) Absent a request for confidential treatment, the Secretary may notify a submitter of a request for access to information provided by the submitter if the Secretary reasonably believes that disclosure of the information may

cause substantial competitive harm to the submitter.

(3) The notice given to the submitter shall:

(i) Be given as soon as practicable after receipt of the request for access;

(ii) Describe the request; and

(iii) Give the submitter a reasonable opportunity, not to exceed ten working days from the date of notice, to submit written objections to disclosure of the information.

(c) *Exceptions to notice to submitter.* Notice to the submitter need not be given if:

(1) The Secretary determines that the request for access should be denied;

(2) The requested information lawfully has been made available to the public;

(3) Disclosure of the information is required by law (other than 5 U.S.C. 552); or

(4) The submitter's claim of confidentiality under 5 U.S.C. 552(b)(4) appears obviously frivolous or has already been denied by the Secretary, except that in this last instance the Secretary shall give the submitter written notice of the determination to disclose the information at least five working days prior to disclosure.

(d) *Notice to requester.* At the same time the Secretary notifies the submitter, the Secretary also shall notify the requester that the request is subject to the provisions of this section.

(e) *Written objections by submitter.* Upon receipt of notice of a request for access to its information, the submitter may provide written objections to release of the information. Such objections shall state whether the information was provided voluntarily or involuntarily to the Board.

(1) If the information was voluntarily provided to the Board, the submitter shall provide detailed facts showing that the information is customarily withheld from the public.

(2) If the information was not provided voluntarily to the Board, the submitter shall provide detailed facts and arguments showing:

(i) The likelihood of substantial harm that would be caused to the submitter's competitive position; or

(ii) That release of the information would impair the Board's ability to obtain necessary information in the future.

(f) *Determination by Secretary.* The Secretary's determination whether or not to disclose any information for which confidential treatment has been requested pursuant to this section shall be communicated to the submitter and the requester immediately. If the Secretary determines to disclose the information and the submitter has objected to such disclosure pursuant to paragraph (e) of this section, the Secretary shall provide the submitter with the reasons for disclosure, and shall delay disclosure for ten working days from the date of the determination.

(g) *Notice of lawsuit.* (1) The Secretary shall promptly notify any submitter of information covered by this section of the filing of any suit against the Board to compel disclosure of such information.

(2) The Secretary shall promptly notify the requester of any suit filed against the Board to enjoin the disclosure of any documents requested by the requester.

**§ 261.17 Fee schedules; waiver of fees.**

(a) *Fee schedules.* The fees applicable to a request for records pursuant to §§ 261.11 and 261.12 are set forth in Appendix A to this section. These fees cover only the full allowable direct costs of search, duplication, and review. No fees will be charged where the average cost of collecting the fee (calculated at \$5.00) exceeds the amount of the fee.

(b) *Payment procedures.* The Secretary may assume that a person requesting records pursuant to § 261.12 will pay the applicable fees, unless the request includes a limitation on fees to be paid or seeks a waiver or reduction of fees pursuant to paragraph (f) of this section.

(1) *Advance notification of fees.* If the estimated charges are likely to exceed \$100, the Freedom of Information Office shall notify the requester of the estimated amount, unless the requester has indicated a willingness to pay fees as high as those anticipated. Upon receipt of such notice, the requester may confer with the Freedom of Information Office to reformulate the request

to lower the costs. The time period for responding to requests under § 261.13(e), and the processing of the request will be suspended until the requester agrees to pay the applicable fees.

(2) *Advance payment.* The Secretary may require advance payment of any fee estimated to exceed \$250. The Secretary may also require full payment in advance where a requester has previously failed to pay a fee in a timely fashion. The time period for responding to requests under § 261.13(e), and the processing of the request will be suspended until the Freedom of Information Office receives the required payment.

(3) *Late charges.* The Secretary may assess interest charges when fee payment is not made within 30 days of the date on which the billing was sent. Interest is at the rate prescribed in 31 U.S.C. 3717 and accrues from the date of the billing.

(c) *Categories of uses.* The fees assessed depend upon the intended use for the records requested. In determining which category is appropriate, the Secretary shall look to the intended use set forth in the request for records. Where a requester's description of the use is insufficient to make a determination, the Secretary may seek additional clarification before categorizing the request.

(1) *Commercial use.* The fees for search, duplication, and review apply when records are requested for commercial use.

(2) *Educational, research, or media use.* The fees for duplication apply when records are not sought for commercial use, and the requester is a representative of the news media or an educational or noncommercial scientific institution, whose purpose is scholarly or scientific research. The first 100 pages of duplication, however, will be provided free.

(3) *All other uses.* For all other requests, the fees for document search and duplication apply. The first two hours of search time and the first 100 pages of duplication, however, will be provided free.

(d) *Nonproductive search.* Fees for search and review may be charged even if no responsive documents are located or if the request is denied.
